

Impact's Vision for 2023/2024

This year's theme: **gnrtn**
NEXT GENERATION

Our church will invest extravagant time, energy, and resources into our students. They will continually consume our thoughts and dreams this coming year. Our desire is for them to experience God through monumental events. We will seek to galvanize our sons and daughters with lasting core memories.

Psalm 71:18, 78:6, 145:4

Even to old age and gray hairs, O God, do not forsake me, until I proclaim your might to another **generation**, your power to all those to come.

This **generation** shall commend your works to another declaring your mighty acts so the next **generation** might know them, the children yet unborn, and arise and tell them to their children.

- If there is a choice to talk to an adult or a kid in the lobby, talk to the kid.
- If there is a little free time in your schedule, spend it supporting a student.
- If there is some extra money in your wallet, invest it in the Next Generation.
- If there is a ministry you're thinking about serving in, choose our children.

Ecclesiastes 11:1-2

Ship your grain across the sea;
After many days you may receive a return.
