

A blurred photograph of a group of people in a social setting, overlaid with a green filter and a horizontal brushstroke. The text "LIFE GROUPS" is centered on the brushstroke.

LIFE GROUPS

Age Men and women of every age and stage of life and faith.

Website impact.church

Ministry Summary At Impact we believe in the importance of community and accountability outside of the weekend worship experience. Life groups exist to develop relationships with others and to take the next step in your walk with Jesus through conversations, Bible study, and prayer. Groups range from sermon based content, equipping and training, healing and recovery, and special interest studies.

When/Where See website for meeting times and locations.
